Prof. Dr. MUSTAFA AYDIN

Prof. Dr. Mustafa Aydın was born in Trabzon in 1956. He completed his primary, secondary, and high school education in Trabzon. He pursued his undergraduate studies at Cairo University and Ankara University, Faculty of Language, History, and Geography. Then, he completed his master's and doctoral studies on Arabic Language and Literature and received the titles of associate professor and professor.

He started working in Turkish Armed Forces in 1975 and had various duties, both national and international until his retirement in 1995. Aydın's academic life began at the Turkish Armed Forces Language School, continued at Atatürk University and Istanbul University. Currently, he is continuing his studies at Istanbul Topkapı University in the Department of Foreign Languages.

Prof. Dr. Mustafa Aydın established BİL Holding, Bil Colleges, BİL Course, BİL Publishing, Istanbul Aydın University and Cyprus Science University in the field of education and he still holds presidency.

He also established Istanbul Aydın University Incubation Centers in London, Baku, Tehran, Amman, Tashkent, Beijing, Chicago and Silicon Valley in San Francisco.

Under the leadership of Prof. Dr. Mustafa Aydın, who introduced the concept of "Education Diplomacy" to our country, a 15-year journey that started in 2010 at DEİK with the "Study in Turkey" brand and continues his efforts at TIM, contributing greatly to the global promotion of Turkish higher education and for Türkiye to become a center of attraction in international student mobility.

The "Hybrid Model Higher Education System," which was first implemented by Prof. Dr. Mustafa Aydın, has provided a new vision for our country's higher education system by vocational education and research and development equally. This work has been recognized by the European University Association as an exemplary model for next-generation education.

Prof. Dr. Mustafa Aydın has been honored with numerous national and international awards for his contributions in both the fields of education and civil society.

Fluent in Arabic and English, Prof. Dr. Mustafa Aydın, who has authored numerous scientific books and articles, and has works dedicated to his name, in his 51-year-long educational career, he has participated in hundreds of national and international symposiums, congresses, workshops, panels, and other scientific meetings, and he continues his work in the fields of higher education and civil society.

Describing himself as a "Natural-born Educator," Aydın is a dedicated education volunteer who has devoted himself to his country. He is married and a father of three children.
